

Can you find the following words?

- | | |
|-----------|------------|
| River | Confluence |
| Watershed | Drink |
| Quality | Toxic |
| Pollution | St. Mary |
| Sewer | St. Joe |
| Stream | Drain |
| Rain | Fertilizer |
| Street | Maumee |
| Chemical | |

The water that flows into the storm drain runs directly to the river, which means the water remains untreated.
